

WELCOME TO STONELOW!

We know that it is frustrating that you can't come and look round Stonelow together to get a 'feel' for our wonderful school. Watching videos is not going to replace a face to face visit but we have created a timetable that you might like to look through together if you get any spare time.

It includes some of the activities we sent to our children throughout lockdown.

Other information and videos are available on our website.

Enjoy!

	Monday	Tuesday	Wednesday	Thursday	Friday
Activities 	<p>We know that you haven't had chance to look around our school properly. Mr Smith has done a virtual tour of our school for you to watch HERE. Grab a drink and a comfortable seat and enjoy your look around school! We will also be doing a live virtual tour with you next week so you get to see some of our children! [An empty school is never as good as one that is full!]</p>	<p>Every week we have sent out some activities to try at home. We thought you might appreciate trying out some of them!</p> <p>Mrs Thompson made chocolate squares [with a bit of help from her son, Eric!] Have a go at making them HERE</p>	<p>Have you woken up early enough to hear the birdsong? It is beautiful. I have been using my time in lockdown trying to learn some of the birdsong I hear in my garden or outside my window. Click HERE to see if you recognise any of the birds by their appearance or song. Let me know if you see or hear any!</p>	<p>One of my favourite places to visit is the Eden Project in Cornwall. Have you been? If the weather is good today why don't you wrap up warm and have a go at building an outdoor den? Click HERE for some ideas. There are some other good ideas on the website that you might want to try out, too!</p> <p>You could sit in it and remember your happy moments! [If it is wet maybe you could build a den indoors - ask permission first, though!]</p>	<p>Mrs Collins has done some fantastic art lessons. Click HERE to watch one on abstract art - maybe you could have a go yourself at a collage, painting or drawing?</p>
Reading 	<p>At Stonelow we think that it is really important to learn to read and we want you to love books! We have been reading stories each week and sending to our children. You can hear some of them here! Mrs Robinson reading HERE</p>	<p>Mrs Hardcastle reading HERE</p>	<p>Find a quiet place to make yourself a den.
